* = per plan

The following additional building costs are directly associated with your land, thus not included in the base prices for our homes: Land preparation, grading, well, septic, utilities (water line, sewer, gas), driveway, landscaping, and Design Center selections. We'd be happy to meet on your building site where we are able to discuss pricing and address these additional building costs. We will help guide you through the process of incorporating these costs into your new home.
